Century Inn is purposely built for the corporate guest and boasts modern executive facilities. The hotel facilities include: restaurant, bar, business centre, endota spa, fitness centre and guest lounge. Catering for 2 to 200 guests, the 5 purposely built conference rooms provide natural light, individual heating cooling and an open plan. If AV equipment is what you require to make your presentation stand out we can help with data projectors, laptops, electronic whiteboards flipcharts and a list of many more. Our catering packages offer new and fresh ideas to cater for a working lunch, hot buffet or tempting morning and afternoon teas. The professional team at the Century Inn can cater for all your conference and meeting needs.
